Heat

Your building has steam heat paid by the landlord. The radiators are plumbed using a single supply/drain pipe. Please leave the on-off valve all the way open. You cannot regulate the temperature with the on-off valve (throttling the on-off valve will prevent the radiator from draining, causing water hammer). You can reduce the radiator output by draping a heavy blanket or insulation over the radiator, or opening your windows. If your apartment is too cold, please call.

Water / Sewer

Paid by landlord

Trash

Put trash in dumpster located in driveway. Our trash service won't accept large items such as furniture and appliances. Please arrange for private haul-away of these items.

Laundry

Coin operated washer & dryer located in basement  
\$1.25 per wash / \$1.25 per dry
